LENTILS

COOKING MADE EASY WITH LENTILS
HOW TO COOK LENTILS
BUYING LENTILS

LOOK FOR PULSES IN THE ETHNIC, BULK, OR CANNED FOOD SECTIONS OF YOUR GROCERY STORE.

Dry lentils will keep for one year when stored in an air tight container in a cool, dry place. Lentils can still be used beyond one year in storage, however the longer lentils are stored, the drier they become. This means they may take longer to cook and remain slightly chewy after cooking. If exposed to light, lentils tend to lose their colour, but flavour, nutrition, and texture will not be affected as long as they are tightly sealed.

CANNED LENTILS

CANNED LENTILS ARE A CONVENIENT TIME-SAVING OPTION – THEY ARE PRE-COOKED AND READY TO USE.

19 oz can equals 2 CUPS COOKED
14 oz can equals 1 ¼ CUPS COOKED

If you are using canned lentils, be sure to empty the can into a colander. Rinse the lentils under cool tap water for at least one minute and allow to drain for several minutes in order to reduce the sodium content, used to preserve the lentils, by around 65%.

COOKING LENTILS

▶ Lentils do not require soaking like other pulses, such as beans, peas, and chickpeas.
▶ Rinse your lentils with fresh water before boiling to remove any dust or debris.
▶ Cook on a stovetop, using 3 cups of liquid (water, stock, etc) to 1 cup of dry lentils. Be sure to use a large enough saucepan as the lentils will double or triple in size.
▶ Bring to a boil, cover tightly, reduce heat and simmer until they are tender.
▶ Be sure to season with salt after cooking – if salt is added before, the lentils will become tough.
▶ Cooked lentils can be refrigerated for up to one week, or frozen for up to three months.

LENTIL PURÉE

LENTIL PURÉE CAN BE ADDED TO BAKING FOR ADDED MOISTURE AND NUTRITION.

▶ Place cooked or canned lentils, drained and rinsed, into a food processor.
▶ For every 1 cup of lentils, add ¼ cup of water.
▶ Blend to make a smooth purée with a consistency that resembles canned pumpkin.

Try using lentil puree in smoothies, dips, baking, and soups.

Did you know that you can make lentil sprouts? These deliciously crunchy and fresh sprouts are perfect for topping salads, adding whole to bread, and adding to granola or trail mix. Simply place lentils in a mason jar and soak in water overnight. Rinse lentils with fresh water, and fully drain. Repeat these steps three times per day and after two or three days you should have fully grown sprouts!

Try switching up flavours by cooking your lentils in vegetable, chicken, or beef stock versus plain water to add great savoury notes to your cooked lentils.

Lentil purée can be folded into any baking recipe, replacing up to half of the fat and adding moisture and nutrition – and your kids will not even know the difference! Just pulse 1 cup of cooked lentils and ¼ cup of water in a food processor to reach a consistency similar to canned pumpkin – fold the purée into your favorite baking recipes, and enjoy!

PREP AHEAD, PORTION & STORE

Cook a large batch of lentils at the start of the week, portion into one cup servings, and store in the fridge or freezer. You will have lentils ready to quickly top onto salads, mix into pasta sauces, and add to taco and burrito fillings.
BREAKFAST FRITTATA

DIRECTIONS

1. Preheat oven to 350˚F. In a 9-inch, deep, oven-proof skillet, sauté the shallot and garlic in butter until golden. Add kale and green pepper and sauté until rendered. Add cooked lentils and sauté for another 2-3 minutes.

3. Remove the lid, sprinkle cheese over the frittata and bake in the oven until the centre is no longer runny. Use the broil option if available to add additional browning to the top of the frittata. Remove from oven and let rest 5 minutes.

4. Garnish with parsley or cilantro, and season with salt and pepper. Cut into wedges to serve.

SPROUTED LENTIL GRANOLA PARFAIT

Servings: 4-6    Prep Time: 15 Minutes    Total Time: 1 Hour, 5 Minutes

DIRECTIONS

1. Preheat oven to 350°F.

2. Rinse lentils under cool water until most of the starch washes off and the water runs clear. Soak the lentils in water for at least 12 hours, rinsing the lentils and replacing the water at least two to three times.

3. Drain the lentils well. On a baking tray lined with parchment paper, scatter the lentils evenly and roast in the oven for approximately 30 minutes, until they become dry and slightly crunchy. While baking, flip the lentils over every 10 minutes with a spatula to make sure they roast evenly.

4. Lightly toast the pumpkin seeds and coconut in a pan, and set aside in large mixing bowl.

5. Toss the roasted lentils, oats, and hemp hearts with the toasted coconut and pumpkin seeds. Mix in the oil, 1 Tbsp honey, and orange zest, making sure everything is combined well.

6. Scatter the mixture on a tray lined with parchment paper and roast for 15-20 minutes. Toss the hot mixture back into the large bowl and mix in the dried berries. Set aside to cool.

7. Place half of the yogurt in a parfait bowl or a deep glass dish. Scatter half of the granola on top with half of the berries. Layer the rest of the yogurt and scatter the remaining granola and berries.

8. Drizzle with the remaining 1 tsp of honey.

BANANA OATMEAL PANCAKES

DIRECTIONS

1. In a large bowl, stir together oats, flour, brown sugar, cinnamon, baking powder, baking soda, and salt.

2. In a smaller bowl, whisk together yogurt, milk, ¼ cup canola oil, eggs, and vanilla. Add dry ingredients along with banana and lentils, and stir until just combined.

3. In a heavy skillet, over medium-high heat, add 1 Tbsp canola oil. Add batter to skillet using approximately ¼ cup per pancake. The batter will be thick so you may need to spread it out with the back of a spoon. Cook for a couple of minutes, until bubbles begin to break through the surface and the bottom is golden. Keep the heat at medium, as these will take longer to cook through than most pancakes, and you do not want them to burn on the bottoms. Flip over with a thin spatula and cook until they are golden on the other side and springy to the touch. Keep the pancakes warm on a rack set on a baking sheet in a 250˚F oven while you finish cooking the remaining pancakes.

4. Serve drizzled with maple syrup.

INGREDIENTS

1 cup old fashioned rolled oats
1 cup all-purpose flour
¼ cup brown sugar
1 tsp cinnamon
2 tsp baking powder
½ tsp baking soda
¼ tsp salt
¾ cup plain yogurt
¼ cup 2% milk
¼ cup canola oil

**CRISPY LENTIL FALAFEL**

**DIRECTIONS**

1. Combine lentils, chickpeas, onion, garlic, cilantro, cumin, and salt in the bowl of a food processor and pulse, scraping down the side of the bowl until blended but not smooth.

2. Add flour and baking powder and pulse until you have a soft mixture that you can roll into balls without sticking to your hands. Add another spoonful or so of flour if the mixture is too wet or sticky.

3. Roll the dough into meatball sized balls, then flatten slightly to make small patties. This will help the falafels cook through more quickly and get crispier on the edges.

4. Heat ¼ to ½ an inch of canola oil in a heavy skillet – it should be hot but not smoking. Without crowding the pan, cook the falafel patties for a few minutes on each side until deep golden and crisp. Transfer to a plate lined with paper towels to drain.

5. Serve warm, with tzatziki for dipping, or wrap in soft pitas or naan bread.

**INGREDIENTS**

- 1 cup cooked green lentils
- half-19 oz can chickpeas, drained and rinsed
- half small red onion, chopped
- 2-4 garlic cloves, peeled
- ¼-½ cup cilantro, chopped
- 1 tsp cumin or curry powder
- ¼ tsp salt
- ¼ cup all-purpose flour
- ½ tsp baking powder
- canola oil, for frying

**Samosas**

**Servings:** 24  **Prep Time:** 30 Minutes  **Total Time:** 55 Minutes

**INGREDIENTS**
- 1 medium onion, finely chopped
- 1 Tbsp canola oil
- 3 ½ cups finely chopped mushrooms
- 1 cup cooked green lentils
- 1 cup cooked quinoa
- 1 jalapeño pepper, seeded and finely chopped
- 2 garlic cloves, crushed
- 2 tsp grated fresh ginger
- 1 tsp cumin
- 1 tsp garam masala
- dash salt and ground black pepper
- 2 green onions, finely chopped
- ¼ cup chopped fresh cilantro
- 2 tsp lemon juice
- 2 Tbsp all-purpose flour
- 2 Tbsp water
- 1-11 oz pkg samosa or spring roll wrappers, thawed if frozen (24 pieces)
- 3 cups canola oil, for frying

**DIRECTIONS**

1. In a large skillet, sauté onion in canola oil over medium-high heat for 5 minutes, or until transparent. Add mushrooms and continue cooking until golden. Add lentils, quinoa, jalapeño, garlic, and ginger and cook for another 2 minutes. Add cumin, garam masala, salt, pepper, green onions, and cilantro. Cook for another 1-2 minutes, stirring to combine, then remove from heat and stir in lemon juice. Season to taste with salt and pepper. Add additional spice if needed.

2. In a small dish, stir together flour and water to form a paste. Fill and fold samosas by folding over the end of a strip of wrapper to form a triangle, form it again to form a pocket, fill the pocket, then keep folding, maintaining the triangle shape, to the end of the wrapper. Use flour paste to seal it closed and fill any holes in the tips of the three corners.

3. In a medium heavy pot, heat canola oil over medium-high heat until hot but not smoking (350°F). Fry a few at a time, without crowding the pot, flipping as necessary as they turn golden. Remove with tongs or a slotted spoon to a dish lined with paper towels to drain. Serve warm with your favourite chutney.

LENTIL & BBQ CORN SALAD

**DIRECTIONS**

1. Preheat grill to 400°F.

2. To prepare corn, gently pull back husks and remove inside silk. Place husks back around corn. Soak cobs of corn in lightly salted water for 10 minutes (this will help to keep kernels juicy when grilling). Once 10 minutes have passed, shake off excess water and place corn on grill. Cook with BBQ lid down for 15-20 minutes turning every 5 minutes. Husks should be charred and the kernels tender. Remove from grill and set aside to cool. Once cooled enough that you can handle, remove husks from corn and cut off kernels. Toss kernels with lentils, red pepper, and green onion.
